and Davidson County

Jonathan Cleghon, Metro Public Works Project Manager

Parsons Brinckerhoff

Brian Reynolds, Project Manager

PURPOSE OF THIS MEETING

- Project description and update
- Receive your input
- Answer questions
- Explain next steps

PROJECT BACKGROUND

- 2012 grant for the South of Broadway (SoBro) Strategic Master Plan
- The Master plan process included public and stakeholder engagement with a multi-day public workshop and final public meeting presentation
- SoBro Master Plan completed January 2013
- High Priority Planning Recommendation: a pedestrian and bicycle bridge to provide a better connection from the SoBro area to the Gulch

GOALS OF THE PROJECT

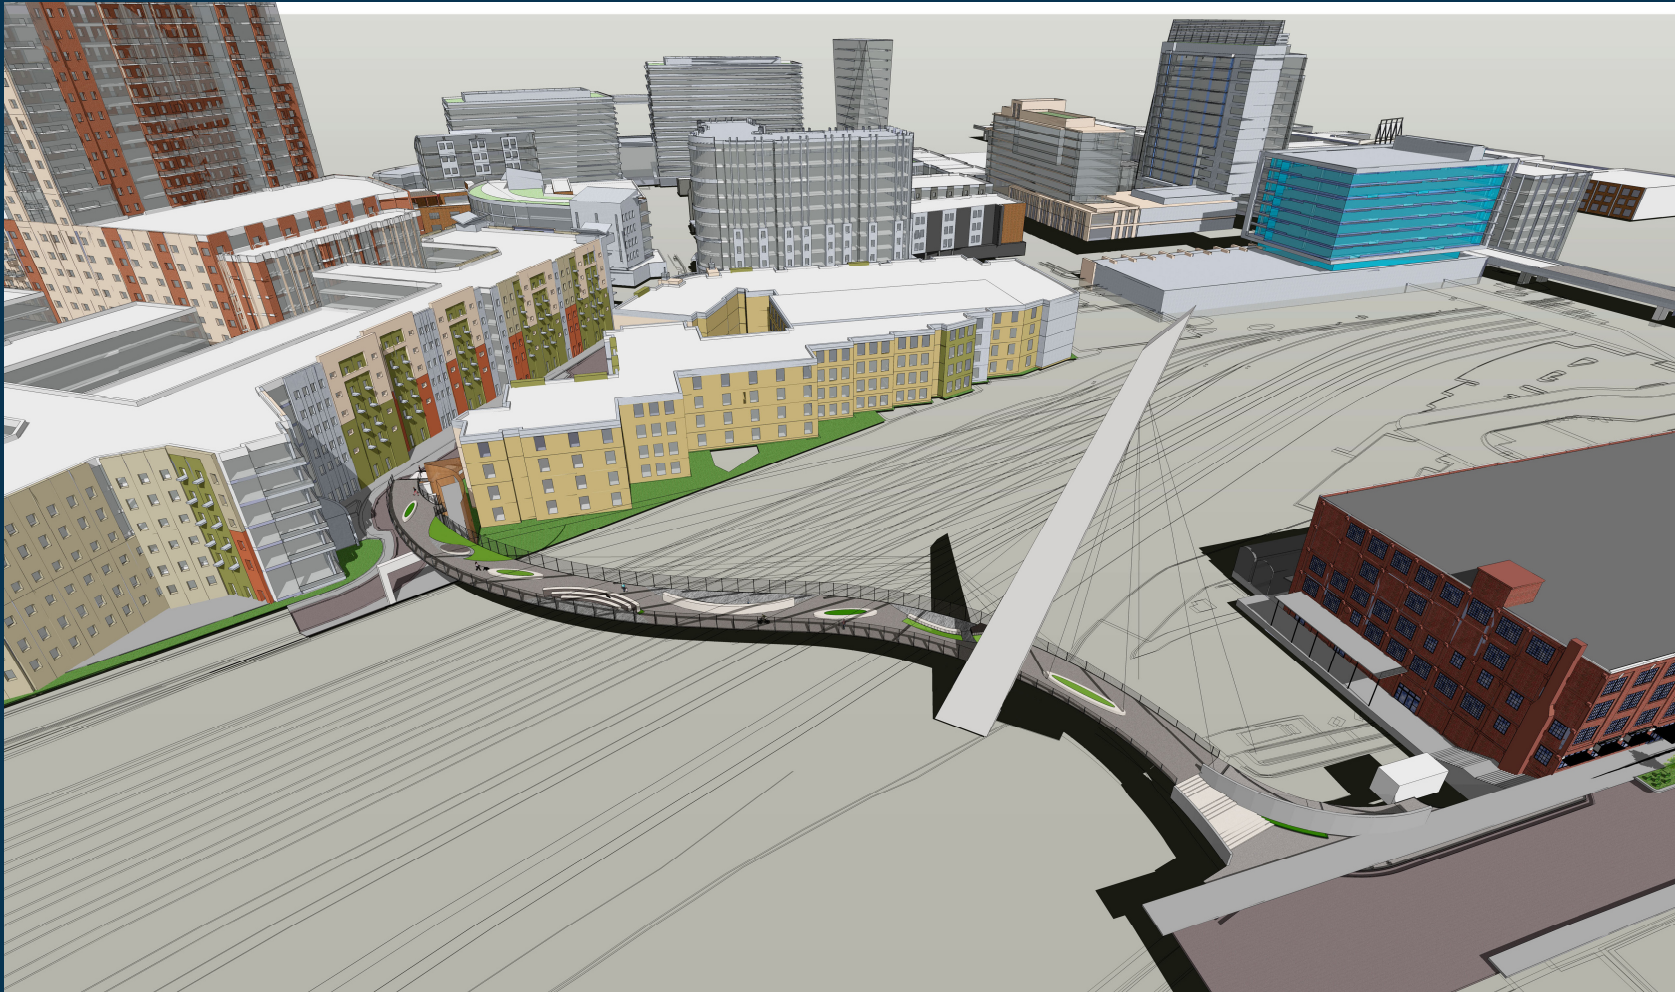

- Create a connector for pedestrians and bicyclists that is also a landmark and destination along Nashville's bicycle and greenway network
- Span the CSX Rail Yard while minimizing disruption to operations
- Minimize impacts on private properties
